Orange County Urology Associates, Inc.
Financial Policy

Welcome to Orange County Urology Associates, Inc. Your initial visit can range from \$200 to \$500. Here are some guidelines to help you get your insurance information ready for your visit:

MEDICARE

- Do you have a supplemental plan?
 - YES – We will bill both insurances on your behalf. You will be billed for any balance owed by you after the insurances have paid their amounts.
 - NO –
 - i. Have you met your deductible? If not; (2014: \$147 Part B)
 - ii. You will be required to pay your co-insurance percentage and any portion of the deductible that has not been met at check in.

PPO PLAN

- You will be expected to pay your share of cost at check in.
 - This will include any office services including drugs
- Are we contracted with your insurance company?
 - YES – You will be required to pay your co-payment and/or deductible at check in.
 - NO – You will be required to pay in full at check in.
- Do you have a SECONDARY INSURANCE?
 - YES – You will be required to pay your co-payment and co-insurance amounts at check in. We will bill your secondary insurance; if we receive payment we will reimburse you any excess amounts.
- You may receive charges from an outside laboratory. These charges were incurred because the tests were necessary to diagnose and/or treat your condition.
- We will bill your insurance(s) as a courtesy. Payments received in excess of your account balance will be refunded to you.

HMO, EPO, POS OR MANAGED CARE PLANS

- Has your primary care physician AUTHORIZED your visit?
 - Visits with prior approval. If your plan requires a co-payment, you will be required to pay at check in.
 - Visits without prior approval. You will be required to pay in full at check in.

You will be required to PAY IN FULL at check in if;

- You are **OUT OF NETWORK**
- You have **NO INSURANCE**
- We are **NOT CONTRACTED WITH YOUR INSURANCE**

We recommend that you verify your benefits with your insurance plan prior to your visit.

IF YOU FAIL TO PROVIDE COMPLETE, UP-TO-DATE, ACCURATE INSURANCE INFORMATION

- You will be considered a **CASH** patient and will be **required to pay in full** at check in.
- OCUA will not be responsible for billing insurance for this date of service retroactively

Effective May 1, 2009 the Federal Trade Commission (FTC) has implemented a new regulation known as the Red Flag Rule requiring physicians to develop and implement identity theft detection and prevention programs. **TO PROTECT YOU AGAINST IDENTITY THEFT** we are required to ask for a photo ID, and a second type of identification.

Point of Service Option

We understand you have the ability to use a Point of Service (**POS**) or HMO option. Orange County Urology Associates, Inc. holds contracts with several HMO groups. If we hold a contract it is best for you to take advantage of your HMO option, this will decrease your out of pocket expense.

If you choose to use your POS option Orange County Urology Associates, Inc. will collect your entire out of pocket expenses.

Please be aware if you choose the POS option your plan may not allow you to switch over to the HMO option for your future care.

PATIENT INSTRUCTIONS

Sexual health is an important part of an individual’s overall physical and emotional well-being. Erectile dysfunction, also known as impotence, is one type of a very common medical condition affecting sexual health. Fortunately, there are many different treatment options for erectile dysfunction. This questionnaire is designed to help you and your doctor identify if you may be experiencing erectile dysfunction. If you are, you may choose to discuss treatment options with your doctor.

Each question has several possible responses. Circle the number of the response that **best describes** your own situation. Please be sure that you select one and only one response for each question.

OVER THE PAST 6 MONTHS:

1. How do you rate your confidence that you could get and keep an erection?

Very low 1	Low 2	Moderate 3	High 4	Very High 5
---------------	----------	---------------	-----------	----------------

2. When you had erections with sexual stimulation, how often were your erections hard enough for penetration (entering your partner)?

No sexual activity 0	Almost Never or never 1	A few times (much less than half the time) 2	Sometimes (about half the time) 3	Most times (much more than half the time) 4	Almost always or always 5
-------------------------	----------------------------	---	--------------------------------------	--	------------------------------

3. During sexual intercourse, how often were you able to maintain your erection after you had penetrated (entered) your partner?

Did not attempt sexual activity 0	Almost Never or never 1	A few times (much less than half the time) 2	Sometimes (about half the time) 3	Most times (much more than half the time) 4	Almost always or always 5
--------------------------------------	----------------------------	---	--------------------------------------	--	------------------------------

4. During sexual intercourse, how difficult was it to maintain your erection to completion of intercourse?

Did not attempt sexual activity 0	Extremely Difficult 1	Very Difficult 2	Difficult 3	Slightly Difficult 4	Not Difficult 5
--------------------------------------	--------------------------	---------------------	----------------	-------------------------	--------------------

5. When you attempted sexual intercourse, how often was it satisfactory for you?

Did not attempt sexual activity 0	Almost Never or never 1	A few times (much less than half the time) 2	Sometimes (about half the time) 3	Most times (much more than half the time) 4	Almost always or always 5
--------------------------------------	----------------------------	---	--------------------------------------	--	------------------------------
